MONEY COACH | AUTHOR | SPEAKER | PODCASTER

Do you want financial freedom and to retire comfortably on your own terms? How about in half the time? We all want a life free from financial stress and help when navigating money matters.

**AS ONE OF AUSTRALIA'S MOST EXPERIENCED AND HIGHLY REGARDED MONEY SPEAKERS AND AN AWARD-WINNING AUTHOR OF THE MONEY SANDWICH, MARC BINEHAM WANTS TO HELP MAKE THIS DREAM A REALITY!**

Money is a major part of all our lives and can be a leading cause of stress and anxiety, yet we know or do little to understand it. It's not taught in schools, gambling and easy debt is everywhere and half of retirees end up on less than \$20,000 a year!

With over 30 years as a financial adviser and now money coach, as well as past National President of the Association of Financial Advisers, Marc wants to change all that and help his audiences with simple everyday money strategies! He has featured as a commentator for SBS News, Sydney Morning Herald and Australian Financial Review and his clients have included Talent2, AMP, Invacare, and Macquarie, as well as speaking to over 5,000 attendees at a Hong Kong expo in 2019.

Marc wants his audiences to walk away with a stack of practical, helpful tips and ideas that they can implement straight away. And as Marc often says, "what's money for if it's not to help us with the important things in life."
