

HOW TO BUY HAPPINESS:

UNLOCKING THE 3 KEY MONEY SHIFTS

The three key 'Money Shifts' we all need to know about! Just as the smart phone has changed the world forever, so has the rules around money. To thrive in the 21st century, especially in terms of enhancing your financial well-being and happiness, it's crucial we need to understand what the new rules are.

Most of us are at the mercy of money rather than being the master of their money. How good would it be, improving your relationship with money and importantly, that money used correctly, can absolutely buy you happiness.

In this inspirational new talk, Marc's audience will see:

- Why we are all talking about financial well-being
- New 21st century rules when it comes to money
- How the Sandwich generation has changed everything
- The secret to financial freedom
- How mindset can hold you back
- Why Outcomes and our Why are so important

Marc wants to have audiences talking and thinking about money in a positive way. To leave having the confidence that they have the tools to reduce their financial stress, be more productive and reach financial freedom that much sooner.

Imagine a world where instead of wasting so much time and energy stressing over money, this could be re-focused instead on connecting better with each other, to giving back and making this world a better place, well that's a world I am committed to creating.

This presentation can be adapted for in-person, hybrid or virtual conferences, either as a keynote or with the option to include a half day workshop program.
